

We are happy to announce that our third interactive online course is now available! LTC 502: Strategies for Organizational Management is available in the NIAAA Classroom as an interactive online course you can take on your own time, at your own pace, and wherever you would like. This four-hour course includes a digital resource manual, an interactive teaching style, instructional videos and more to help make the learning process easy and convenient for you.

This course takes a basic approach to the fundamentals and methods of athletic administration and alerts and educates athletic administrators regarding potential problems and possible solutions in areas such as chain of command, scheduling, contest management, and personnel management. The course also touches upon eligibility, Critical Incident planning, financial responsibilities, legal, law, liability, equipment and facilities. It is a prerequisite for all four levels of certification and includes study materials for the CAA Certification.

To access this course, please login to the member portal and select "Classroom" then "Enter the Classroom" from the black menu bar. The course is available in the Professional Development Academy section of the Classroom with a cost of \$125 for members and \$210 for non-members. Also available in the Classroom are LTCs 501 & 504.

Check back regularly as we continue to release more courses in this new format.
