

In addition to taking Leadership Training courses by webinar, or in a face-to-face classroom setting at the National Athletic Directors Conference, state conferences, or educational summits; a number of courses can now be taken online. Among those are two sports law courses: LTC 504 and 506. These courses join LTC 501 and 502 as online courses needed for certification. In the coming months look for additional online courses to eventually include LTC 503, 508 and 510. To find out more go to NIAAA website.
