We are happy to announce that our seventh interactive online course is now available!

LTC 503: Enhancing Organization Management is available in the NIAAA Classroom as an interactive online course you can take on your own time, at your own pace, and wherever you would like. This four-hour course includes a digital manual, an interactive teaching style, instructional videos and more to help make the learning process easy and convenient for you.

The course also touches upon ways to increase or improve citizenship and sportsmanship through positive initiatives. Athletic Administrators will have a hands-on experience creating handbooks and a strategic plan for their school.
