February 14, 2019

Pearl River School District is seeking a collaborative administrator to serve as Director of Physical Education and Athletics. This position oversees the K-12 physical education and health programs and faculty, as well as the interscholastic athletic and intramural programs for the middle school and high school.

The Pearl River School District is located in Rockland County, New York, approximately 20 miles north of New York City on the west side of the Hudson River. Our student population of 2500 students, K-12, are served in three elementary schools (K-4), a middle school (grades 5-7) and a high school (grades 8-12). We are a high-performing school district with, on average, 99% of the senior class graduating each year and 97% continuing on to college or university. Our community is very committed to, and proud of, our school programs and very supportive of our athletes and athletics program.

**Minimum qualifications:** NYS certification in physical education and administration (SDA or SDL), experience in teaching and coaching; successful administrative experience.

**Effective Date:** July 1, 2019

**Ideal candidate will have/be:**

- An understanding of and vision for supporting education based-athletics to meet the social, emotional and physical needs of students.
- Collaborate with district leadership team to support teaching and learning of 21<sup>st</sup> century skills as it relates to physical education, health and athletics.
- Visible leader that can inspire and motivate students, faculty and staff
- Excellent verbal and written communication and interpersonal skills
- Excellent organizational skills and successful experience with scheduling, and fiscally responsible budgeting.
- Adept at using technology to streamline processes and promote student achievements.
- Innovative and creative thinker that can advance our current physical education and athletic programs by increasing opportunities for student participation and achievement at higher levels.
- Lifelong learner to seek out innovative ways to engage students in developing healthy habits and increased physical activity.
- Thoroughly familiar with NYSED and NYSPHSAA Rules and Regulations.
