

NYSAAA RECEIVES FOUR MEMBERSHIP COMMENDATIONS FROM THE NIAAA

The National Interscholastic Athletic Administrators has announced that New York has received four membership commendations for the 2019-20 year. This past year, New York State Athletic Administrators Association has broken the record for any state in the nation with a membership of 764. It is the first time that any state has exceeded 700 members. It is also a state record as well, having exceeded its previous record of 694.

Other commendations received by NYSAAA were included for “70% or more membership” – New York has 97.3% of eligible AD’s in NYS; for an “Increase of more than 10% in one year” – New York had a 10.6% increase last year; and finally for achieving its highest state record ever of 764, previously 694. The association is hoping for a repeat in 2020-21 and maybe even new records. Thanks to all our membership who made this possible.
