NYSPHSAA Update – Robert Zayas

- The NYSPHSAA will be having a COVID task force meeting on June 10th. The task force has approximately 24 members. Jim Wright will be part of this task force representing the NYSAAA. This task force is in place to examine information and provide guidance. They will be examining a lot of information over the summer to prepare for the August 24th fall season start date. Revisions may be made later if the start of the season needs to be pushed back.
- Brett thanked Robert for acknowledging the NYSAAA should be on the COVID task force.
- Athletic administrators will be given notice if something changes. We need to be patient in any decisions. Once we see how the phases proceed, we will then be able to give guidance.
- SED stated if an athlete had a physical in 2018-2019 or 2019-2020 school year their physical will be waived but they will still need a physical update.
- DASA training to take place online.
- Coaching certification for CPR/First Aid and extended eligibility will be reviewed. Looking at providing a CPR waiver or consideration so the coaches can be recertified.
- Questions about extending eligibility have been asked. Since no students have missed school or missed graduation due to the COVID crisis extending their eligibility does not apply. No other state in the country is considering extending eligibility.
- Jim Wright & Robert have been working on a survey to send out to all superintendents and athletic administrators with information to present to the COVID task force on June 10th.
Mike Giruzzi asked about a decision on when information for the fall will be coming out. Any guidelines they provide will only be recommendations and guidance. The decision to move forward is determined by the governor. NYSPHSAA is working on many scenarios and does not want to provide information too soon as things may change over the next few months.

NYSPHSAA will be slowly going back into the office after the July 4th holiday.

At this time Brett Banker thanked Robert for his time in updating the Executive Board on the COVID task force.

Motion was made to accept the minutes from the Winter Executive Board meeting and the special conference meetings.

- Report attached.
- Conference update – good shape and four out of five keynote speakers have agreed to return as speakers and majority of the workshop speakers have agreed to return.
- The 2020 Chapter Awards and HOF awards will move to 2021.
- Held a check-in meeting with chapter representatives. Half of the chapter representatives failed to join the meeting. The chapter representatives were asked to look for avenues to discuss the 2021 March conference and acknowledging our budgets will be reduced but the importance of the conference is relevant to our athletic administrators. It is important for the chapter representatives to remind people how important the conference is.
- Denny said the NYS AHPERD conference is now moved to the week before our 2021 conference.
- Status of the Executive Director’s Performance Assessment was discussed. Mike Giruzzi suggested pausing it and moving it to the September meeting. Mike will reach out to Brett for review prior to presenting it.
- The following are committee chair vacancies. Do we want to move forward with these positions?
  - Resolutions Chair Discussion: Jim Wright thinks it is an important position and should be kept. This position is a presidential appointment.
• Membership Chair Discussion: Todd Gulluscio thinks it is important to continue. It’s good to have this person to reach out to the chapter representatives.
  ➢ Alan will post both positions on website and through Final Forms.
  ➢ Should a Mentoring Chair and Social Media Chair be added?
  ➢ Mentoring Chair Discussion: Mentoring will be a National committee starting this summer. It is a valuable tool for the aspiring AD program and new AD program which would be a sub-division of the Mentoring position.
  ➢ Social Media Chair Discussion: Position would be focused one or two people within the chapters. Brett had concerns with getting people within the chapters getting the social media piece.

A motion made to create a Mentoring Chair position to our Chapter Representative Board.
1st – Todd Gulluscio  2nd – Denise Kiernan  Passed

  ➢ Alan has approval to move forward with posting the Mentoring Chair position.
  ➢ Adding Aspiring AD Award – someone will need to come up with the criteria for that award.
  ➢ Brett will create a sub-committee including the two award co-chairs and report back in September.
  ➢ Five-Year Strategic Plan – Alan has reached out to outside agencies to facilitate this. Bruce Whitehead has expressed interest in facilitating and overseeing the committee. How do we start? When do we start? He would be available to come in and work with Executive Board to comprise a committee. Alan said it really is time to get this done.
  ➢ NYSAAA Foundation –Alan shared that foundations are not easy to start up and could be costly. This would be a long-term goal.
  ➢ Final Forms Scholarship to attend the national conference was rescinded by Final Forms.

Associate Executive Director’s Report – Jim Wright
  ➢ Report attached.
  ➢ Still working with Final Forms on LTI registrations.
  ➢ Social Media – we have doubled the number of followers on the NYSAAA account.
  ➢ Added a new app for the AD’s and their staff.
  ➢ Podcast was fun to do and will move forward with it in future.
  ➢ LTI Proposed Program for 2020-2021 - Todd likes we are giving a pathway to continue their certification. He feels it is valuable to be able to do these online.

  ➢ Alan went over his 2019-20 End of Year Report (attached) which shows his accomplishments of the goals.
