Webinars

In an effort to meet the needs of individuals who desire to enhance their knowledge of interscholastic athletic administration and cannot attend the national conference or state conference, the NIAAA seasonally offers selected courses in a webinar format. Our webinars offer the opportunity to take courses from the comforts of the office or home and receive the same quality instruction, interaction and networking opportunities as is provided in a classroom setting. Each webinar costs \$125 for members and \$210 for non-members. The course fee includes the digital course manual and an acknowledgment of course completion. Each course is taught by trained and experienced faculty.

In preparation of taking a webinar, please review all of our [webinar policies](#) and expectations. By purchasing a webinar, you are indicating that you agree with the policies.
